### *Help Us Finish... So We Can Start*

The Saint Catherine Center community is ready to expand! It is time to transform the learning experience, strategically expand our physical footprint, and build upon a solid financial foundation that will ensure we continue to thrive in years to come.

To date we have raised 97% of the \$5,000,000 needed to meet the Campaign goals. Will you help us finish... so we can start? To learn more about how to help, visit the [Building For the Future](#) webpage.
